

World Environment Day

Our Mission Statement:

We are the premiere “total technology” provider, passionate about our commitment to excellent service, **community support** and **environmental involvement**

DONATIONS:

Technocom will be accepting donations for the City of Kent Parks Foundation.

They are in desperate need of gardening tools like loppers, hand pruners, spade shovels, gravel rakes, pitch forks, scotch broom pullers and wheelbarrows (new or gently used).

Technocom is also accepting cash donations and 100% of the donations will go to the Kent Parks Foundation. There is no donation that is too small!

You can drop off any donations at our Technocom Kent office or call us to make pick up arrangements.
